About This Game

Do you love games that provide true mental challenge?

Rainbow Hero is a clever 2D puzzle game where levels may seem impossible at first glance but ingeniously simple when you've figured it out.

The rules are simple yet each challenge will require thoughtful solutions.

Best of all, Rainbow Hero lets you **turn back time** so you can never become stuck! Experiment and try new approaches to find your way through every level.

Rainbow Hero combines multiple game mechanics such as:

- Travel on multi-directional platforms until they hit obstacles.
- Teleport characters or their items.
- Reflect the lasers off walls to clear the path.
- Control two characters simultaneously with added depth for puzzle solving.

-
- Unlock hidden passages, bounce balls, rotate parts of the world and a lot more!

Over the Rainbow
Israel Kamakawiwo'ole

Ooh, ooh, ooh
Ooh, ooh
Somewhere over the rainbow
Way up high
And the dreams that you dream of
Once in a lullaby
Somewhere over the rainbow
Bluebirds fly
And the dreams that you dream of
Dreams really do come true
Someday, I wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney top
That's where you'll find me
Somewhere over the rainbow
Bluebirds fly
And the dreams that you dare to
Oh why, oh why can't I?
Well, I see trees of green and red roses too
I'll watch them bloom for me and you
And I think to myself
What a wonderful world
Well, I see skies of blue and I see clouds of white
And the brightness of day
I like the dark
And I think to myself what a wonderful world
The colors of the rainbow so pretty in the sky
And also on the faces of people passing by
I see friends shaking hands saying
How do you do?
They're really saying I, I love you

I hear babies cry and I watch them grow
They'll learn much more then we'll know
And I think to myself what a wonderful world
World
Someday I wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney top
That's where you'll find me
Oh, somewhere over the rainbow
Way up high
And the dreams that you dare to
Why oh, why can't I?
Ooh, ooh
Ooh, ooh
